

2011 AA Legion Vipers Concession Schedule

Coming up with a schedule that fits everybody's needs is impossible. We do the best we can. If you cannot make your scheduled time, PLEASE TRADE WITH SOMEONE. It is YOUR responsibility to trade with someone, change it on the master schedule in the concession stand, and let the person in charge at your level know. There is a list of girls who can be hired to work if needed. Please ask your head person if you need a name and phone number. Not showing up isn't an option.

Once again, the same rules apply to Legion as Regular season. Please see below.

Thank you! Anne Newberry 859-9048 (A level head) or Lori Bjornson 867-3477 (A A level head)

Thanks to all the parents for your help. Please remember the purpose of the concession stand is to help raise much needed funds for the baseball program. We try to keep our prices reasonable yet profitable. We do not reduce prices and we do not cook extra food at the end of the game in anticipation of players needing it. ***If you want to make sure your player has something to eat from the concession stand order and pay for something early.*** There are forms in the stand for that. It will be especially important this season since we will have a "floater" concessions/grill person at closing. Coaches only eat free at the concession stand during their games. If they are at other games they pay for food. Coach Wright is the only exception-he eats free all the time even during Legion. **Umpires are welcome to a drink and meal if they would like. It is the least we can do for the poor guys!! Try and get their order early if you can.**

REMINDERS FOR VOLUNTEERS

- 1. We love our volunteers, but we don't feed them free food or drinks.**
- 2. If you are an opener PLEASE ARRIVE ON TIME WHICH IS 30 MINUTES BEFORE GAME TIME. PLEASE CALL LORI @ 867-3477 IF YOU CAN'T BE ON TIME AND WE WILL HELP GET IT OPEN. THINGS HAPPEN SOMETIMES AND WE CAN HELP OUT.**
- 3. No children (13 under) are allowed in the concession stand unless they are actually old enough to help and are helping.** If your daughter/or son is working for you please make sure they are FULLY trained or please remain with them. It isn't fair to the other parents if they are not. No sitting on the counters ,etc. This is a HUGE money maker for our program and we can't afford to lose money from it. We do have a license from the Health Department that can be pulled at anytime. They do and will hold surprise inspections!
- 4. Suggestion: Since there are only two in the stand per time slot it works well to have one person be the window and one be the food person as needed. That way the gloves that we all LOVE aren't constantly coming on and off.**
- 5. THANKS, THANKS ,THANKS!!!!!!**
