Rules and Regs:

- 1. All school rules apply while on this trip.***
- 2. A player may ride with his parents but...not in any other vehicle other than the team bus. A parent may not give permission for their son to ride with anyone other than the school provided bus.***
- 3. Drugs and Alcohol.***

Any problems here fall under school rules. If drugs are involved, they will be handled by the Scottsdale police department. If detained, parents will be responsible for getting their son home.

- 4. Lights out and Curfew:***

Motels are used by families and business travelers. To that end, it's important that we are in the rooms and quiet at specified times. Remember that people expect the worst from young men of high school age. Our players need to be polite and show exemplary behavior. The trip is a huge privilege and all of us need to remember how many hours of labor it took to send us to Scottsdale!!

- 5. No girls in rooms! Visits are fine as long as they take place in the Lobby, by the pool, etc. A girl in the room will end your playing time in this tournament and result in a suspension once we are back in Eagle.***
